**To reserve your seat for
one of our 2021 Cohorts!**

What we will review:

soft skills; customer service; international business code of ethics; and intercultural communications; math; geography; international logistics; the Mod Act and TEFTA; rules, regulations, and legal decisions; the CFR; CBP ICP Importing into the US; forms (or their electronic equivalent) and what we must do with them; entry types, even those that are not considered “customs business”; requirements of other government agencies who may have regulatory authority over an imported shipment; compliance and how it affects every aspect of an international transaction.

This 8-week course will give you the experience of a one-year industry incumbent. Students successfully passing the ABC's are eligible to sit for the NEI CCS Exam.
